Please find below and/or attached an Office communication concerning this application or proceeding.

The time period for reply, if any, is set in the attached communication.

The Attachment

The adding the limitation of claim 2 into claim 1 and the adding of claim 5 raises new issues, namely claims 2 and 3.

The arguments in the Remark filed on 9/8/09 are reviewed and considered. However, these arguments are so similar to the ones found in the previous amendments which have been responded by the examiner in details. Further, the amendment of claims have not been entered. Therefore, any response in this advisory action is not necessary.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to THUAN D. DANG whose telephone number is (571)272-1445. The examiner can normally be reached on Mon-Fri.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn Caldarola can be reached on 571-272-1444. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
